Kevin-

Tomorrow morning first thing sounds best. So, what does "first thing in the morning" mean to you? I'm normally at work by 7, so any time after that is fine with me. You can just email me when works for you and I'll make sure I check it before I go to bed tonight. Thanks.

Sonja,

I would like to meet with you before Tuesday to prepare your testimony. Would you be able to come to the federal courthouse in Springfield sometime tomorrow, perhaps first thing in the morning? Otherwise, when could we get together before Tuesday? If the weekend works for you, I'm available anytime.

Thanks,

Kevin

That sounds good - you would be amazed at how many ADAs have given us subpoenas for the day that they are picking the jury (and wasted valuable lab time). I'll plan on being there by 9:00am on Tuesday unless I hear otherwise from you. There should not be a big conflict with any of the district cases, I just to know what the agenda was so i can convey that to them. Thanks.

Sonja,

I made the subpoena for 7/20-22 to cover you in case the date of your actual testimony changed. My best guess is that you will testify on Tuesday the 20th between 9 and 1. I can't be more exact because of the uncertainty of the speed of the trial. We pick the jury on Friday 7/16 and begin evidence on Monday, 7/19.

If there is a significant conflict with another case, I can squeeze you in out of turn on Monday or late in the morning on Tuesday.

I'll know better on Monday how the trial is progressing.

Kevin

ADA O'Regan-

I am just confirming that I received your subpoena for the above indicated case scheduled for July 20, 2010. I have noticed that my attendance will be required from July 20th until July 22nd. Is this case starting on the 20th, or is it starting on the 19th? I'm asking so I will know what to tell the 2 ADA's I have other cases with that day (one district case in Springfield and another district case in Pittsfield). If the trial is not starting until the 20th, would it be possible for me to check in with district court in Springfield in the morning and then head over to the Federal Courthouse afterward, or do you need me there on the 20th at 9:00am? Thank you.
